- 1 Out-of-Network Providers can charge you more than what is Usual, Customary and Reasonable (UCR). You will be responsible for amounts above UCR and these amounts do not accumulate toward the Annual Copayment Maximum.
- 2 Annual Copayment Maximum does not include Copayments for Durable Medical Equipment (except for nebulizers, peak flow meters, face masks and tubing for the Medically Necessary treatment of pediatric asthma and diabetic supplies), pharmacy and supplemental benefits, except Behavioral Health Supplemental Benefits.
- 3 Percentage Copayment amounts are based upon PacifiCare's negotiated rate.
- 4 Services require Preauthorization by PacifiCare.
- 5 If you participate in a clinical trial provided by a Non-Participating Provider that does not agree to perform these services at the rate PacifiCare negotiates with Participating Provider, you will be responsible for payment of the difference between the Non-Participating Provider's billed charges and the rate negotiated by PacifiCare with Participating Providers, minus any applicable Copayment, Coinsurance or Deductibles.
- 6 The inpatient hospital benefits Copayment does not apply to newborns when the newborn is discharged with the mother within 48 hours of the normal vaginal delivery or 96 hours of the cesarean delivery. Please see the Combined Evidence of Coverage and Disclosure Form for more details.
- 7 Refer to your Supplement to the Combined Evidence of Coverage and Disclosure Form for Severe Mental Illness (SMI) and Serious Emotional Disturbances of Children (SED) for additional coverage details.
- 8 Limitations are combined for inpatient and outpatient services.

- 9 Voluntary termination of pregnancy after the 20th week will be covered only when the mother's life is in jeopardy.
- 10 In Instances where the negotiated rate is less than your Copayment, you will pay only the negotiated rate.
- 11 This Copayment applies regardless of whether this benefit is performed on an Inpatient or Outpatient basis. If the service is performed on an Inpatient basis, you will also be required to pay the applicable Inpatient Copayment for your benefit plan, if any.
- 12 Bone anchored hearing aid will be subject to applicable medical/surgical categories (e.g. inpatient hospital, physician fees) only for members who meet the medical criteria specified in the Combined Evidence of Coverage and Disclosure Form. Limited to one (1) bone anchored hearing aid during the period of time the member is enrolled in the Health Plan (per lifetime). Repairs and/or replacement for a bone anchored hearing aid are not covered, except for malfunctions. Deluxe model and upgrades that are not medically necessary are not covered.

Use of Emergency Services

Emergency Services are covered In-Network worldwide with a Copayment (waived if admitted as an inpatient). If In-Network procedures are not followed, and/or if services are not considered to be Emergency Services as defined in your Evidence of Coverage and Disclosure Form, but are Medically Necessary, then services will be covered as Out-of-Network Services for the applicable percentage Copayment after the deductible is satisfied.

In-Network Services

HMO - Except in the case of Medically Necessary Emergency or an Urgently Needed Service (Outside the geographic area service by your Participating Medical Group.) Each of the above noted benefits are covered when authorized by your Participating Medical Group or PacifiCare. A Utilization Review Committee may review the request for services.

Out-of-Network Services

The PacifiCare Point-of Service Plan requires that certain services be Pre-Authorized. Please refer to the Combined Evidence of Coverage and Disclosure Form for the list of services. The percentage payable shall be reduced to fifty percent (50%) for Medically Necessary covered Out-of-Network Services received for which Pre-Authorization was not obtained. The additional amount a Member is required to pay because Pre-Authorization was not obtained will not be applied to the Annual Copayment Maximum.
